***Why join Temple Beth Hatfiloh?***

Temple Beth Hatfiloh is an inclusive community, open to all who wish to maintain a connection to Judaism. We are a diverse and egalitarian congregation, welcoming to Jews from a wide variety of backgrounds and levels of observance. Our community includes both Jewish and mixed-faith families.

I am excited that you are considering joining our Jewish community. We welcome individuals and families committed to the creative exploration of Jewish tradition and practice, and we strive to provide a "big tent" for the Jewish community of Thurston County.

The vibrancy of our community depends on two things, the financial contributions that people make to support us and the engagement of members to create and sustain activities and events. You can become a member or *chaver* of TBH by filling out this form and making a financial gift that is meaningful to you. We also urge you to join in the activities that we offer and help us expand what we do. If there is something new that you would like to see happening Jewishly in our community, then please step forward and try to make it happen.

We hope you will join our community. Once you submit this form, I and the Rabbi will be reaching out to you shortly.

B'shalom!

**ANNUAL FINANCIAL GIFT**

As a member or *chaver*, we ask that you make a pledge of financial support. Your pledge helps ensure that TBH can serve as a center for Jewish life in Olympia. The TBH budget for 2016-17 is \$287,500 (excluding Blintzapalooza). Of that, 72% or \$214,000 comes from annual member pledges. For every dollar spent:

- 39% is for rabbinic services
- 19% is for youth education
- 18% is for administrative support and operations
- 16% is for facility maintenance

**Based on our annual budget and our 130 affiliated households, we need an average of \$1,650 from each member household to reach our goal of \$214,000 in member pledges.** TBH has set a "sustaining" annual membership level of \$1,020 for one-adult households and \$2,040 for two-adult households. Many households cannot afford that amount, and we depend on households that give at above the sustaining level to meet our budget. We urge you to give generously from your heart, based on what you are able to give and what you are inspired to give.

If you are joining in the middle of the fiscal year, your gift can be pro-rated. Please contact the Temple Office for more details on this or any other questions you might have. Your gift to TBH is tax deductible.

Please circle the amount of your pledge, or write in your pledge in the spaces provided.
